*"I said I love you.
What more do you want from me?"*

Alison loves her boyfriend.

Like any young woman,

she dreams about the future...

about marriage.

"I want to have kids, just not now."

She learns she is pregnant. Her heart is full of emotions, but mostly fear...

what will her boyfriend say?

"This is just way too heavy, Al."

He wants her to give up her baby,
to have an abortion.

Alison has a choice to make.

*“How can I have a baby?
I can’t even take care of myself.”*

Driven by feelings of fear, losing love,
and being alone, Alison agrees to go to
the clinic—to end her pregnancy.

*"This seems like a good thing
but I'm not so sure."*

In the waiting room she meets others
who share her same struggle and feel
they have nowhere else to turn.

*"You have a future beyond your
biggest dreams."*

John 3:16 — For God so loved the world...

The janitor reveals more to Alison than
she really wants to know...

"I just want it to go away."

The truth about the life inside her stirs up all types of emotions. She moves from fear, to wonder, to anger in seconds.

*“Maybe I could raise her...
I’d need a better job...”*

The pressure to end her pregnancy is so strong and comes from many different voices.

*"I love you so much —
and I love your baby too."*

Yet, a voice to love her unborn baby reaches her in an unexpected way. But it is still Alison's choice.

“Life beyond my biggest dreams.”

The janitor shows Alison what could be,
what she can choose if she is strong.

*“Even now she has a tiny heart,
smaller than a speck.”*

We all make huge choices in life,
decisions that can change our future
for good or bad. **And the choice to end
a beating heart inside your body has
to be the biggest choice of all.**

"I just don't know what to do..."

What choice will Alison make?

What choice would you make?

Alison's Choice is a movie based on the all too real decisions millions of pregnant mothers make every day around the world.

This free booklet was created from the film to help those who face such a choice to do so with the following in mind:

1. **God loves you** no matter what (even if you have had an abortion before).
2. **God also loves the baby** inside you.
3. God would love for you to **love your baby** by choosing to give it life.

4. Maybe your circumstances are such that keeping your baby seems impossible. **There are many who can help you**, whether it is your choice to raise your baby or to place your baby into a loving home.
5. You can watch a shortened version of *Alison's Choice* for free; you don't have to login or give your name or anything. Just scan the QR Code below with your phone or tablet and enjoy!
