

If God takes care  
of the flowers  
in the field, will  
he not do more  
for you?

*lo Dijo Jesús*  
Matthew 6:27-33

## Does the economic

situation bring a lot of anxiety to your life? Do you feel like the pressure of the world is too much on your shoulders?

### Jesus said:

*Can all your worries add a single moment to your life?*

*Look at the lilies of the field and how they grow. They don't work or make*

*their clothing, yet Solomon in all his glory was not dressed as beautifully as they are.*

*And if God cares so wonderfully for wildflowers that are here today and thrown into the fire tomorrow, he will certainly care for you.*

*So don't worry about these things, saying, 'What will we eat? What will we drink? What will we wear?'*

*Your heavenly Father already knows all your needs... and he will give you everything you need*

# Give Jesus the leadership of your life!

Under Jesus' guidance, heavenly care is an attainable reality. Jesus is not just a religious leader, he is the reliable leader that your life needs. Only he can transform you from the inside out and give you a higher-quality of life. Decide to give Jesus the leadership of your life by saying the following prayer:

**Heavenly Father, today I give Jesus control of my life. I repent from my sins and ask you to forgive me. Send the Holy Spirit to my heart and give me a new life. In Jesus' name. Amen.**

Congratulations! From this moment on, you are a child of God and he is now your Heavenly Father because *to all who believed him and accepted him, he gave the right to become children of God.*
