the ends of the earth."
Acts 1:8

How do *I* use this Journal??

This Journal has no real rules...just one command and that is what Jesus said when he summed up the "10" in Exodus - He said LOVE! And if you do - they'll know who your Father is...

Now as you go on this "Love Journey" keep notes in your journal about what the Father teaches you about LOVING OTHERS. Don't worry - He will speak to you (if you keep your EARS open to what He might say to your .)

You're also going to have a chance to write down friends that you'd like to pray for that don't know the Father's love yet, and verses that you read that speak to you. But keep in mind...this isn't supposed to be a homework assignment. *It's LIFE.*

It's loving others. *It's being Jesus.* So have FUN!
Draw pictures, grab some photos, cut out pictures and stuff along your journey and tape them inside if you like. Nobody will mind. Mess it up!

Make it look like yours!

MOST

But [^] *importantly*, this journal is about spending time with Jesus. The more you do - the more you'll act like Him. (and the more you'll show HIS LOVE to those around you - and that LOVE might even reach out of your neighborhood - all the way across the GLOBE!)

A word on WITNESSING...

Dear J12,
I'm always afraid I'll forget something when I share about becoming a Christian. I don't want to leave anything out. Is there a way to help me remember what to say?

Thanks.

Jamie, 11 years old

Hi Jamie,
First of all, God will always give you the words to say when you need them and no 2 situations are alike when sharing the Good News. But a great tool to look into that'll always steer you in the right direction is called **The Gospel Bracelet**.

Hope this helps &
Keep up the good work,
J12

Did you Know...

The Gospel Bracelet is a major tool in the CG Box Project? They send thousands of them overseas every year, and you can help by putting some bracelets together!!

If you'd like to have a Gospel Bracelet Party, go to cgbox.org/bracelet-party.php to find out how!

THE GOSPEL BRACELET - CHECK IT OUT...

The Gospel Bracelet is based on the story of what Jesus did for us as it relates to COLORS. Here's a very basic explanation of each bead...

The GOLD bead reminds us of heaven. The Bible tells us Heaven has streets of gold and Jesus is preparing a place for all who put their trust in Him. (John 14:23)

The BLACK bead reminds us of Sin. This is anything you think, say, or do that does not please God. "All have sinned and come short of the glory of God." (Romans 3:23) There is no place for sin in Heaven.

The RED bead reminds us of the blood of Jesus. Without the giving of blood there can be no forgiveness of sin. (Hebrews 9:22)
So, Jesus Christ willingly died for our sins and was buried and rose again on the third day. (I Corinthians 15:3-4) Now, because of what Jesus has done for you, you can have your sins forgiven.

The WHITE bead reminds us of a CLEAN heart. How can you have a clean heart? A = Admit to God you are a sinner and want to turn away from those sins. B = Believe in Jesus Christ, that He is God's perfect Son who died for your sin, was buried and rose again. C = Call on Him to save you from your sin. He has promised to hear, and once you are His child, He will never leave you. (Hebrews 13:5)

The GREEN bead stands for things that grow. When you ask God to forgive you and save you, you become His child. God wants you to GROW! Growing in your friendship with Jesus involves talking to Him everyday, Reading & Obeying the Bible, Telling Others about Him, & Going to a Bible-Believing Church!

If we confess our sin, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness (I John 1:9)

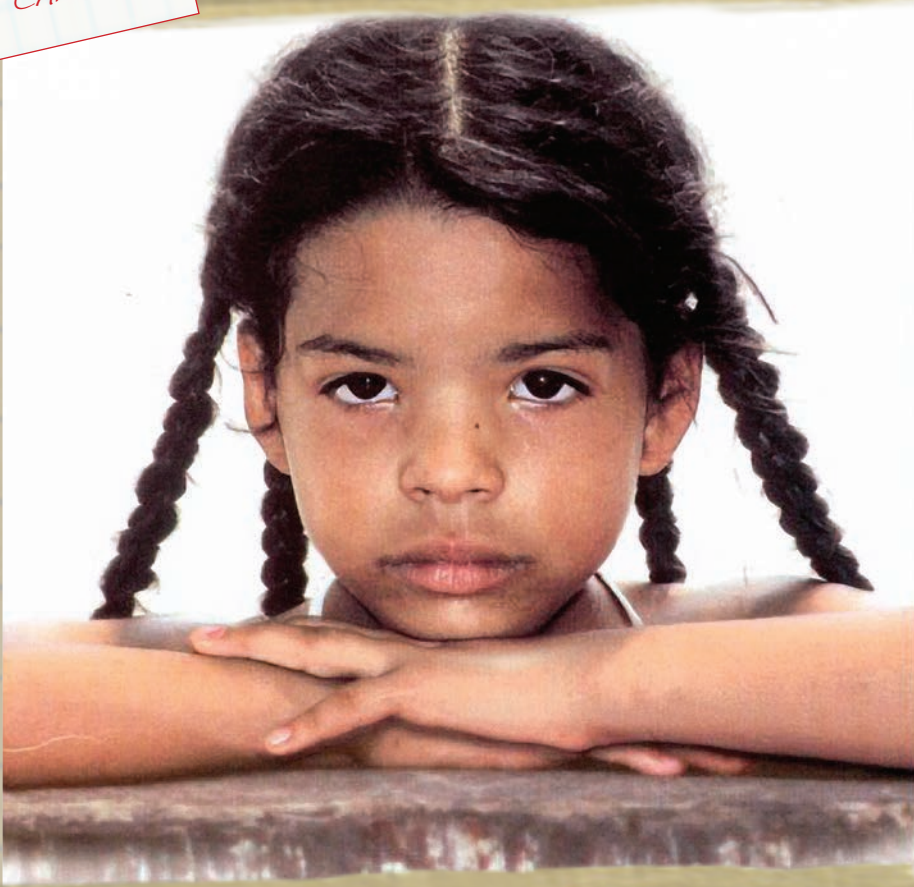

If you get through all of that or even a part of it - now you may have a chance to invite them to pray with you to ask Jesus for forgiveness and for the gift of eternal life in Heaven!

Witnessing to Your Jerusalem

can I get a witness??

You are too young for a lot of things. How many of you drive a car, serve in the army, or play in the NBA? I venture to say - none of you. But God has a position for you that is perfect for your age. You can be a witness.

A witness is someone that speaks up in court that a person on trial is who they say they are. You can be a witness for Jesus by standing up and saying, "He is who he says He is and He has changed my life."

That's all there is to it. Sure, you can never learn enough about being a better witness, but that's the heart of the challenge. **Tell YOUR story** of who Jesus is to you!

So the question is, "what courtroom has God placed you in to share about Jesus?"

Maybe it is your neighborhood w/ your friends.

Maybe it is at school w/ classmates and teachers.

Maybe it is on a sports team w/ teammates and coaches.

It might even be in your own home, w/ parents or siblings.

Speak up in your courtroom and prove it out through the way you live for Jesus following what He asked you to do in every area and relationship!

Tips to make certain that the Gospel is truly Good News!

13

"Take 5"

One:

Live out your relationship with Jesus everywhere you go. Don't act one way at church and another way at home or school. People are watching to see if your friendship w/ Jesus is real.

Two:

You are not the judge - you are only a witness. Don't take it on yourself to point out all the reasons they won't get to Heaven.

Three:

Love. Love in the way you treat people. Share God's Love in the way you speak. Love through acts of service. Show Love in how you listen. Extend Love to those others wouldn't. And Love at all times!!!

Four:

Be Bold. People are looking for somebody who really believes in something. Being embarrassed about your Faith makes people think that what you believe in is not worth their time. Living for Jesus brings eternal life - what could be worth more than that!?

Five:

Listen to the Holy Spirit. He will show you how to approach any situation. He's the ultimate coach and He'll never leave you! (John 16)

Maybe He showed it to you while you were reading today or praying or taking a shower.....doesn't matter - and relax, this doesn't have to be D&EP. God speaks to us right where we are at. IF he knows how many hairs we have on our head - you can be sure he knows how to talk to you at your age...

One way I was about my "Father's business" yesterday...

When Jesus was 12, He said, "I must be about My Father's business!" These 7 words should be the purpose of all of our lives.. Part of "the Father's business" is living out Acts 1:8. Write down something you did to BE ABOUT "IT" yesterday.

Pressing to Reach More...

The Problem: An important international leader echoed the cry of many nations when he told FMP that his country was losing their 10, 11, & 12 Year olds. He asked, "What resources could they provide to help their tweens?"

The Plan: The mission of J12 is to Reach a generation before they need to be Rescued. J12 provides resources for parents, preteens, and those who lead them all over the U.S. and Canada, but has never had the means to translate and deliver them into the hands of tweens in other countries.

The Partnership: J12 Global is a partnership with Foursquare Missions Press through the Ones Campaign to translate and produce J12 materials and make them available for free to tweens all over the world!

The Part U Play: YOU are already playing an awesome part by simply using this journal. This little tool will remind you to pray for other nations and help you to share the love of Jesus right where you live. Other ways you can join the movement of young people who are helping us reach more tweens with the Good News is by helping with the Ones Campaign, get your bag, encourage your group to do the same, sponsor a Gospel Bracelet party, Raise money for FMP through events and fun activities....the possibilities are endless..just make sure to do something - it's part of your mission as you GO J12 Global!

Where few Tweens have gone Before

I was on a Missions trip with my parents to Romania. On the plane ride, I asked a passenger next to me if he would like to hear a story. I pulled out a C-G Box Evangelcube and shared the story of the Gospel with him. Then I asked the man if he would like to ask Jesus into his heart and he said yes. Once in Romania we also shared the Evangelcube story to over a hundred kids at a VBS and many of them gave their hearts to Jesus that week. It was awesome!

I went with my grandpa to a C-G Box Training in Southern Chile. After the training, I got an idea to dress up as a clown and go visit my local orphanage. I told the Gospel story through the "Wordless Book" and 80 kids accepted Jesus as savior.

I still help my grandpa lead children to Christ in the Mapuche areas with the Jesus Film and Wordless Book. Hundreds of children and school teachers have come to accept Christ in the cordilleras de Los Andes Mapuche country areas.

> Can YOU tell YOUR T'nT? Beth from Africa did...

My name is Beth. I am 13 years old and I was born in Kenya. In that time, my father and mother were not talking to each other for a long time. It continued like that until they broke apart and left me alone without anyone to stay with. Life was very hard. I didn't know Jesus. I could go to the nearest shop and borrow food but nobody cared about me.

In that same place there used to come a pastor who would preach to me, give me food, and then he goes away. One day he told me that Jesus died on the cross for me and that He would never leave me. He asked me if I would like to invite Jesus in my heart. I said yes and repeated a prayer after him.

From there he gave me some food and I promised him that I will be obeying Jesus. He brought me to an orphanage. That is where I am now. I believe one day I will help those who are like me. And today I am no longer on the street! I am somewhere the Lord wanted me to be. I thank God for His everlasting love. I was nothing but now am somebody. So if you are trusting God, don't lose hope. He will remember you as He did me.

What's a T'nT?

T'nT is another word for dynamite and in J12, it stands for Tests 'n Testimonies. Testimonies are like stories of how, where, or why God is working. They are powerful and "explosive" evidence that Jesus is being reflected in YOUR lifestyle.
