ONE HUNDRED DOLLARS

FRANKLIN

Here are some fun facts: The Bellagio lake is 9 acres, has 1200 fountains, 4500 lights, and cost \$75 million to build. The Luxor could hold 9 Boeing 747s. The replica Eiffel Tower and Statue of Liberty in Las Vegas are both 1/2 size of the originals. The MGM Grand lion is 45 feet tall and weighs 100,000 pounds (the largest bronze statue in the U.S.). The Stratosphere is 1,149 feet high (almost twice the size of the Space Needle in Seattle). Every day, 60,000 pounds of shrimp are consumed in Las Vegas.

Did you know gambling became legal in Las Vegas in 1931? Here is a question: if you had a million dollars, how much would you gamble? How about a billion dollars – would you bet it all? Would you gamble with your life?

Would you gamble with your eternity? Did you know that where you spend eternity is all about Jesus? Here is how it works:

Have you lived a perfect life? None of us have. We all have made mistakes and committed sins. We have all broken God's laws. The Bible says there is a price to pay for those sins: eternity away from God in Hell. But, it also says there is HOPE! Jesus came and lived a perfect life, died on a cross to pay for our sins, and rose from the grave to give us eternal life.

Don't gamble with your eternity! To receive forgiveness for your sins and gain eternal life, you simply have to say "yes" to Jesus, turn away from your sins, and follow Him. Start by praying this prayer: "Jesus, please forgive me of my sins. I turn from those sins and I ask that You save me. I commit to following you, Jesus. Amen."

Next, find a mentor that can help you follow Jesus. The mentor will get you a Bible and encourage you. You can find a mentor at a Christian church that follows the Bible. If you need help finding a church, visit www.jesusinvegas.com.

If there are few churches or it is illegal to follow Jesus where you live, then start a church in your house. First, gather your friends and family together at your house for a meal. Read from your Bible (start with the Gospel of John), talk about it, and do what it says. Ask God for His help in everything you do. Invite people and families to join you. Share with those in need. Encourage other families to start churches in their homes. When you have questions, talk with a mentor or email pastorscott@vegaschurch.org.
