

God loved the  
people of this  
world so much  
that he gave his  
only Son...

John 3:16-21

## For some

life has been good and has given them much. For others, it's a totally different story.

The truth is that God has loved us all and in that love, he has given us Jesus so that we can have an abundant and eternal life in Him.

## Jesus said:

*God loved the people of this world so much that he gave his only Son, so that everyone who has faith in him will have eternal life and never really die.*

*God did not send his Son into the world to condemn its people. He sent him to save them! No one who has faith in God's Son will be condemned. The light has come into the world...*

# Give Jesus the leadership of your life!

Under Jesus' guidance, true love is an attainable reality. Jesus is not just a religious leader, he is the reliable leader that your life needs. Only he can transform you from the inside out and give you a higher-quality of life. Decide to give Jesus the leadership of your life by saying the following prayer:

**Heavenly Father, today I give Jesus control of my life. I repent from my sins and ask you to forgive me. Send the Holy Spirit to my heart and give me a new life. In Jesus' name. Amen.**

Congratulations! From this moment on, you are a child of God and he is now your Heavenly Father because *to all who believed him and accepted him, he gave the right to become children of God.*

*John 1:12*
