

Welcome

Sudan

Home!

It has been a difficult time in Sudan for many years but now hope for the future is renewed in all our hearts.

Now is the time for us all to seek God for a time of healing, forgiveness and restoration.

This is an opportunity from God for a new beginning. Our desire for you is that you will call upon Him and make Him the center piece of your future.

“For I know the thoughts that I have for you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope.”

Jeremiah 29:11

But now, Southern Sudan faces a challenge that could kill many more people than the war...

HIV/AIDS KILLS EVERY TIME! Thousands of people become infected every day.

HIV AIDS AND YOU

WHAT IS HIV? HIV stands for Human Immunodeficiency Virus. HIV damages the body's ability to fight diseases and infections. It is an unseen virus that kills everyone who becomes infected.

WHAT IS AIDS? AIDS stands for Acquired Immunodeficiency Syndrome. AIDS is the result of the infectious virus HIV.

HIV is found in...

- BLOOD
- SEMEN
- VAGINAL SECRETIONS
- SALIVA
- AMNIOTIC FLUID
- ANY BODY FLUID VISIBLY CONTAMINATED WITH BLOOD

SO HOW DO YOU GET IT?

- Sexual contact with an infected person
- Babies born to HIV-infected women before/during birth or with breast milk
- Sharing needles and/or syringes (drug injection) with an infected person

7000 new HIV infections
occur each DAY in
Sub-Saharan Africa.
Don't let this happen to you!

- You can get HIV at any time if you have sex with someone who has it.
- You can get HIV if you share drug injection needles with someone who already has AIDS.
- You can have AIDS and not even know you have the disease.
- You can infect others even if you do not feel sick.

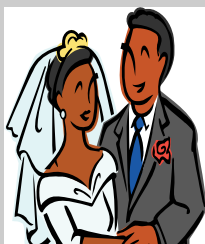

**IF YOUR BROTHER DIES
FROM AIDS AND YOU
TAKE HIS WIFE, YOU WILL
ALSO DIE FROM AIDS**

**Do condoms make sex safe
enough?**

Research shows that **condoms reduce risk** for HIV/AIDS but they **do not eliminate the risk**. Condoms do not make sex safe enough for those people who truly wish to avoid getting AIDS.

ABSTINENCE

(no sexual activity)
until marriage to one
person and being faithful
to that marriage partner
is the only 100% proven
way to avoid becoming
HIV positive.

If you have already been sexually active...

Get tested now! Only a lifelong faithful relationship (as in marriage to one person) will protect you from HIV/AIDS.

If you and your partner have been involved with other people sexually you both will need to get tested for AIDS.

Most people do not have obvious early HIV symptoms. When symptoms do first appear it is usually flu-like symptoms. This may include: fever, rash, muscle aches and swollen lymph nodes and glands. If any of these symptoms linger it is important to quickly obtain an HIV test.

The number one cause of AIDS is unsafe sex.

The only way to know for sure if you are infected or not is to be tested.

If you get AIDS you will die.

Jesus Loves You

Here's How To Receive Him

GOD'S LOVE

God loves you and wants to have a personal relationship with you.

For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. John 3:16

God's love does not excuse you if you reject Him.

He who believes in Him is not condemned; but he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God. John 3:18

MAN'S PREDICAMENT

You are born with spiritual rebellion that separates you from God.

There is none righteous, no, not one; There is none who understands; There is none who seeks after God. For all have sinned and fall short of the glory of God. Romans 3:10-11, 23

No good deeds based on your own righteousness can win you God's approval..

But when the kindness and the love of God our Savior toward man appeared, not by works of righteousness which we have done, but according to His mercy He saved us... Titus 3:4-5a

For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. Romans 6:23

JESUS IS THE ONLY WAY TO GOD

Jesus is the only one who is qualified to bring you into relationship with God.

Jesus said, "I am the way, the truth, and the life. No one comes to the Father except through Me. John 14:6

Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved.

Acts 4:12

Jesus Christ did everything necessary to provide salvation for you.

But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us. Romans 5:8

For Christ also suffered once for sins, the just for the unjust, that He might bring us to God, being put to death in the flesh but made alive by the Spirit. 1 Peter 3:18

GOD'S FREE GIFT OF GRACE IS RECEIVED BY FAITH

Salvation is a free gift that only comes through faith in Jesus.

For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast. Ephesians 2:8-9

He who believes in the Son has everlasting life; and he who does not believe the Son shall not see life, but the wrath of God abides on him. John 3:3

Believe on the Lord Jesus Christ, and you will be saved, you and your household. Acts 16:31

Faith is demonstrated by turning from your old life and surrendering to Jesus.

I tell you, no; but unless you repent you will all likewise perish. Luke 13:3

Repent therefore and be converted, that your sins may be blotted out, so that times of refreshing may come from the presence of the Lord. Acts 3:19

IT IS URGENT THAT YOU SURRENDER TO HIM NOW

No one knows when they will die, now is the time to surrender to Jesus.

And as it is appointed for men to die once, but after this the judgment. Hebrews 10:27

If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation. Romans 10:9-10

Pray now, asking Jesus to forgive you and to come into your life and be your Savior and Lord. Surrender everything to Him and ask Him to guide you in everything you do. God bless you!
