

NO
HOPE

People don't understand...

The pain, hurt and hopelessness...

I try to fill the emptiness.

**I feel
outside
myself
looking
in, as if
it's all
not
real...**

But it is all too real...

I'm thinking about a way out...

...forever.

DO YOU RELATE?

**Believe me,
it's never too late.**

**Please contact below and
lets begin an honest conversation.**
