

HOPE FOR HAITI

Where were you when the shaking started?

You survived, but probably you know someone who did not.

A friend, family member, or both.

You feel many different emotions now.

Maybe deep sadness, relief, grief, fear, and anxiety – or all of them combined.

You have asked yourself some questions like:

Why did this happen? Why did I survive and others did not?

Where can I turn for help? Does anyone care?

You may never be able to understand why this tragedy happened – but there is hope.

Who Cares For You?

There are millions of people around the world who care. They are providing medical aid, food, and shelter. They are giving financially, and they are praying for you.

The person who gave you this leaflet cares about you.

Yet, someone else cares who can give you what no one else can – hope.

God cares for you and He wants to give you hope.

Hope – that your future can be better.

Hope – that you can experience peace and love.

Hope – that you can live in eternity with Him.

What The Bible Says

The Bible tells you to *“Cast your anxiety on (God) because He cares for you.”* (1 Peter 5:7)

The Bible also says that God loves you.

“For God so loved the world that He sent His only Son, that whosoever believes in Him should not perish, but have everlasting life.” (John 3:16)

“You might have life and have it more abundantly.” (John 10:10)

God Is Reaching Out To You

The Bible promises you *“For God did not send His Son to condemn the world, but to save it through Him.”* (John 3:17)

God is reaching out to you. Even the small act of reading this leaflet is a way He is communicating to you that He cares.

He will give you strength to live each day with its trials and burdens. Will you respond to His great love for you? Will you let Him take care of you for your present needs?

God sent His one and only Son Jesus Christ to die on the cross for your sins. He was raised from the dead three days later and now offers you the gift of everlasting life if you believe in Him.

If you have never prayed to receive Christ into your heart, you can do so right now, praying something like this:

"Dear God, I don't understand all that has happened, but help me to look to you for my every need. I know that I have sinned against you many times in the past. Please forgive me. I believe that Jesus is Your Son and that He loved me enough to die on a cross for me to forgive my sins. I put my trust in Jesus Christ alone as my Savior. Amen."

If you haven't already, it is critical for you to find a Bible believing and teaching church.
